

I want to invite you to experience and share with us in the **New Life Worship Experience** that has been designed especially for **YOU** and with **YOU** in mind.

Like so many of us, you may have done some things you regret. You may feel hopeless, living in a world with an uncertain future.

Then, too, you just may be a person who has been searching for a genuine encounter with God, but have been unable to connect.

**I have some Good News for YOU!**

Join us as we come together for an inspiring, unique and transforming **New Life Worship Service** that promises to fill you with **hope, peace** and **joy** that only God can give.
