General Information

The Christian Education Congress is the culmination of our year of work and a springboard that will project us into the year ahead. All participants between the ages of 12 to adult are urged to attend as we study and work together to make ourselves the viable instruments that God has ordained for us to be.

The First Episcopal District is innovative, exciting and seemingly endowed with unlimited potential; it does not yet appear what it shall be. As we work together, putting "First Things First," let us work in a spirit of oneness, and make an already great District the greatest that it can be.
